KIDS BED

Create not just a bedroom for your child, but an enchanted world where they can live as if in a dream, surrounded by magic. Inspired by family traditions, the “Sindi” bed instills in children a sense of style and an appreciation for quality.

The FRANKOF professional team has taken care of your little ones' safety. Every element is highly durable and designed to withstand intensive use. All materials meet European standards, as confirmed by the product certificate.

Healthy sleep is one of FRANKOF's priorities.

It is ensured by an orthopedic base made of beech slats. The model comes with a side lift-up mechanism. If additional storage space is needed, the spacious compartment provides a convenient solution.

Thanks to its functional design, the "Sindi" bed is suitable for both children from 3 years old and teenagers.

The bed dimensions are 2.135 × 1.02 m (for a sleeping area of 90 × 200 cm). It is also available for mattress sizes of 120 × 200 cm and 160 × 200 cm.

The thickness of the side rails and headboard is 5.5 cm. The bed angle can be selected when placing your order.
